PHARMACY UNIFORM

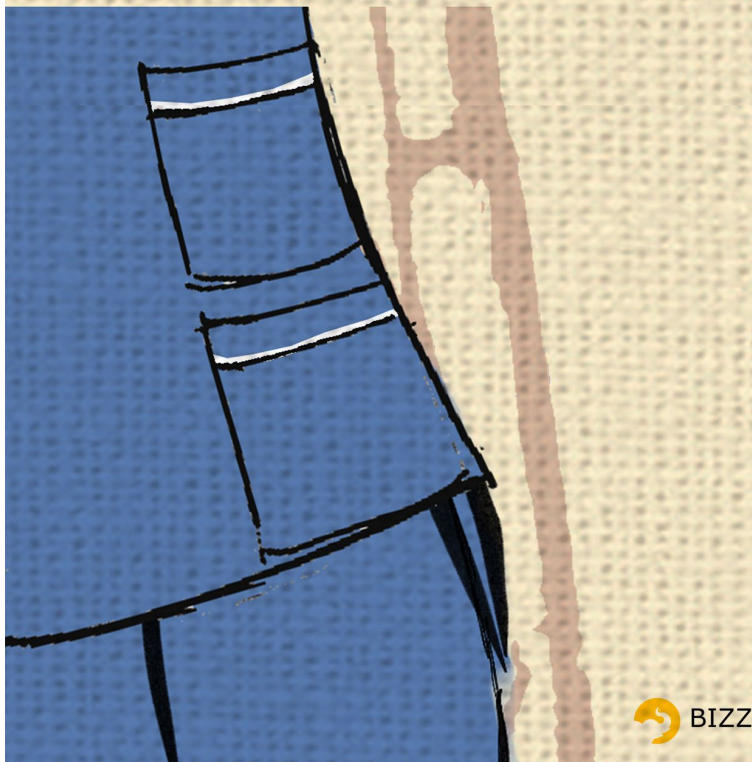

IDEATION - 1

Neck Yoke Detail : We will add a half-inch patchwork on the neck yoke area using a contrast color fabric. This patchwork will create a visually appealing and stylish accent, adding a touch of uniqueness to the garment.

Sleeve Hem Detail:

Just above the hem of the sleeves, we will incorporate a 1/4-inch patchwork using contrast fabric. This detail will add a distinctive touch to the sleeves, creating a visually interesting and fashionable element

Double Pockets Detail: The garment will feature double pockets, and we will embellish them with a 1/4-inch patchwork using a contrasting fabric. This detail will add a subtle yet eye-catching element to the pockets, making them stand out and adding a stylish twist to the overall design.

PHARMACY UNIFORM IDEATION - 2

Nect Detail - Mandarin Collar:

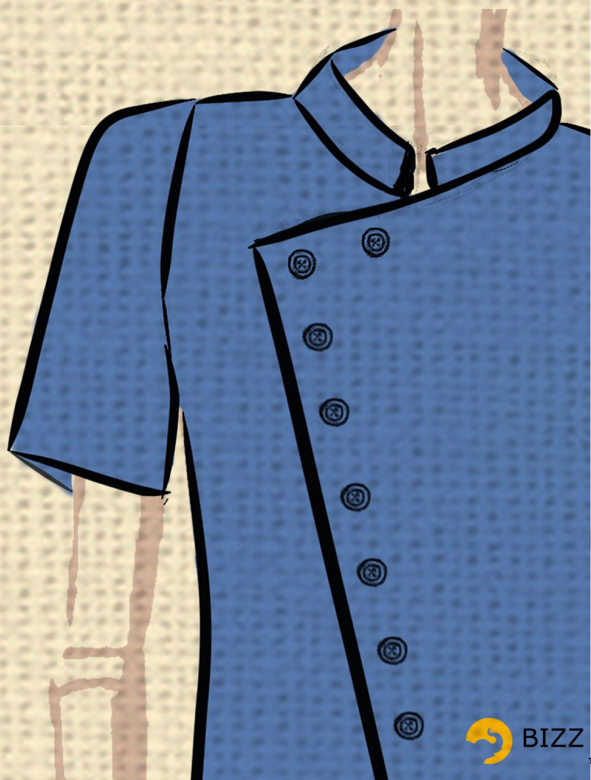

The garment will feature a mandarin collar, which is a short, stand-up collar that adds a touch of elegance and sophistication to the overall design. This collar style is known for its clean and streamlined look.

Asymmetrical

Placket: The placket, which is the part of the garment that holds the buttons or fastenings, will be designed in an asymmetrical manner.

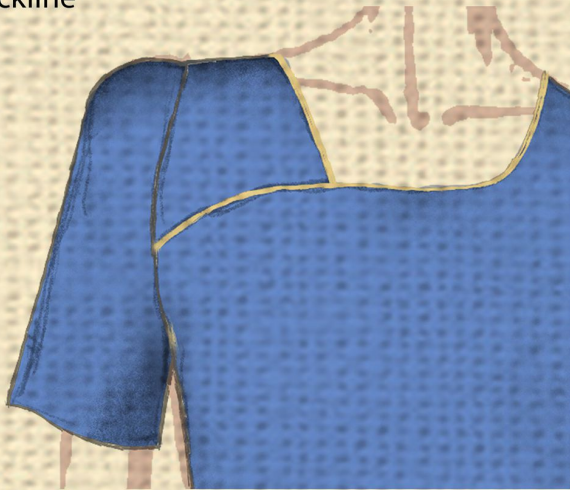

It will overlap towards the left over the right side, creating a visually interesting and unique detail. This adds a modern and stylish twist to the garment.

Side Slit: The garment will have a side slit, which is a small opening along the side seam of the garment. The side slit enhances comfort and ease of movement while also adding a subtle hint of style and flair.

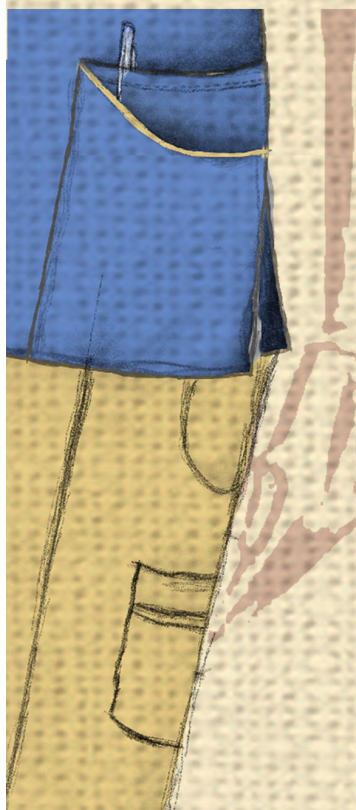

PHARMACY UNIFORM IDEATION - 3

Contrast Piping: We will add contrast piping along the asymmetrical neckline. Piping provides a refined and polished look, enhancing the visual appeal of the garment. The contrast piping will create a distinctive contrast, adding an eye-catching detail to the neckline

Double Pocket Shirt

Pocket: The shirt will have a double pocket design, featuring two pockets on the front. This adds functionality and a classic touch to the garment.

Side Slit: The garment will have a side slit, which is a small opening along the side seam of the garment. The side slit enhances comfort and ease of movement while also adding a subtle hint of style and flair.

Khaki Pants with

Patch Pocket: The pants will be designed in khaki color, providing a versatile and timeless base. Additionally, a patch pocket will be added to the pants, offering convenience and a touch of utility.
